

How can you get
detailed analysis from
the “Technology-
Enhanced”
assessments?

Reviewing Results and Analysis

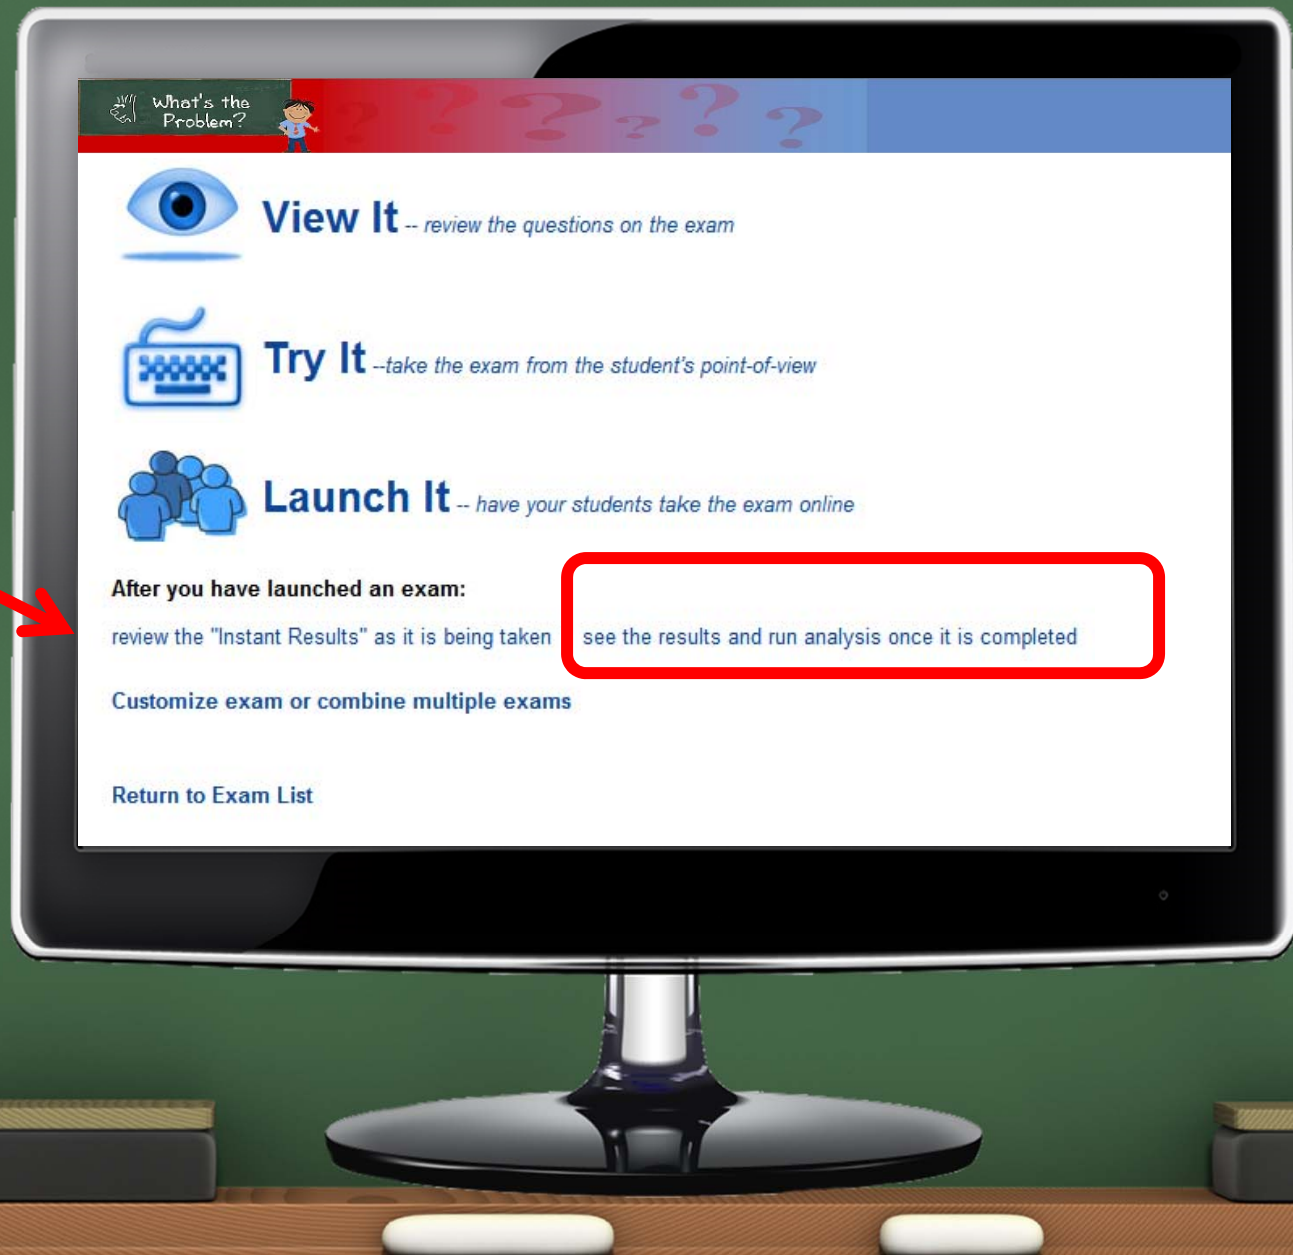

You can review the results and analysis of a completed exam from the same page where the exams are listed.

Reviewing Results and Analysis

OR

The same
“Instant
Results” and
Analysis
options are
provided on
the options
page for
each exam.

Reviewing Results and Analysis

[Review the results and analysis of a completed exam](#)

If you decide to

| 126900 | 3rd Grade - Math - Operations and Algebraic Thinking (OA) | 9/9/2014 2:37 PM | Ben Bache - Anonymous Class 126900 |

Close Exam

Are you sure you want to close this exam?

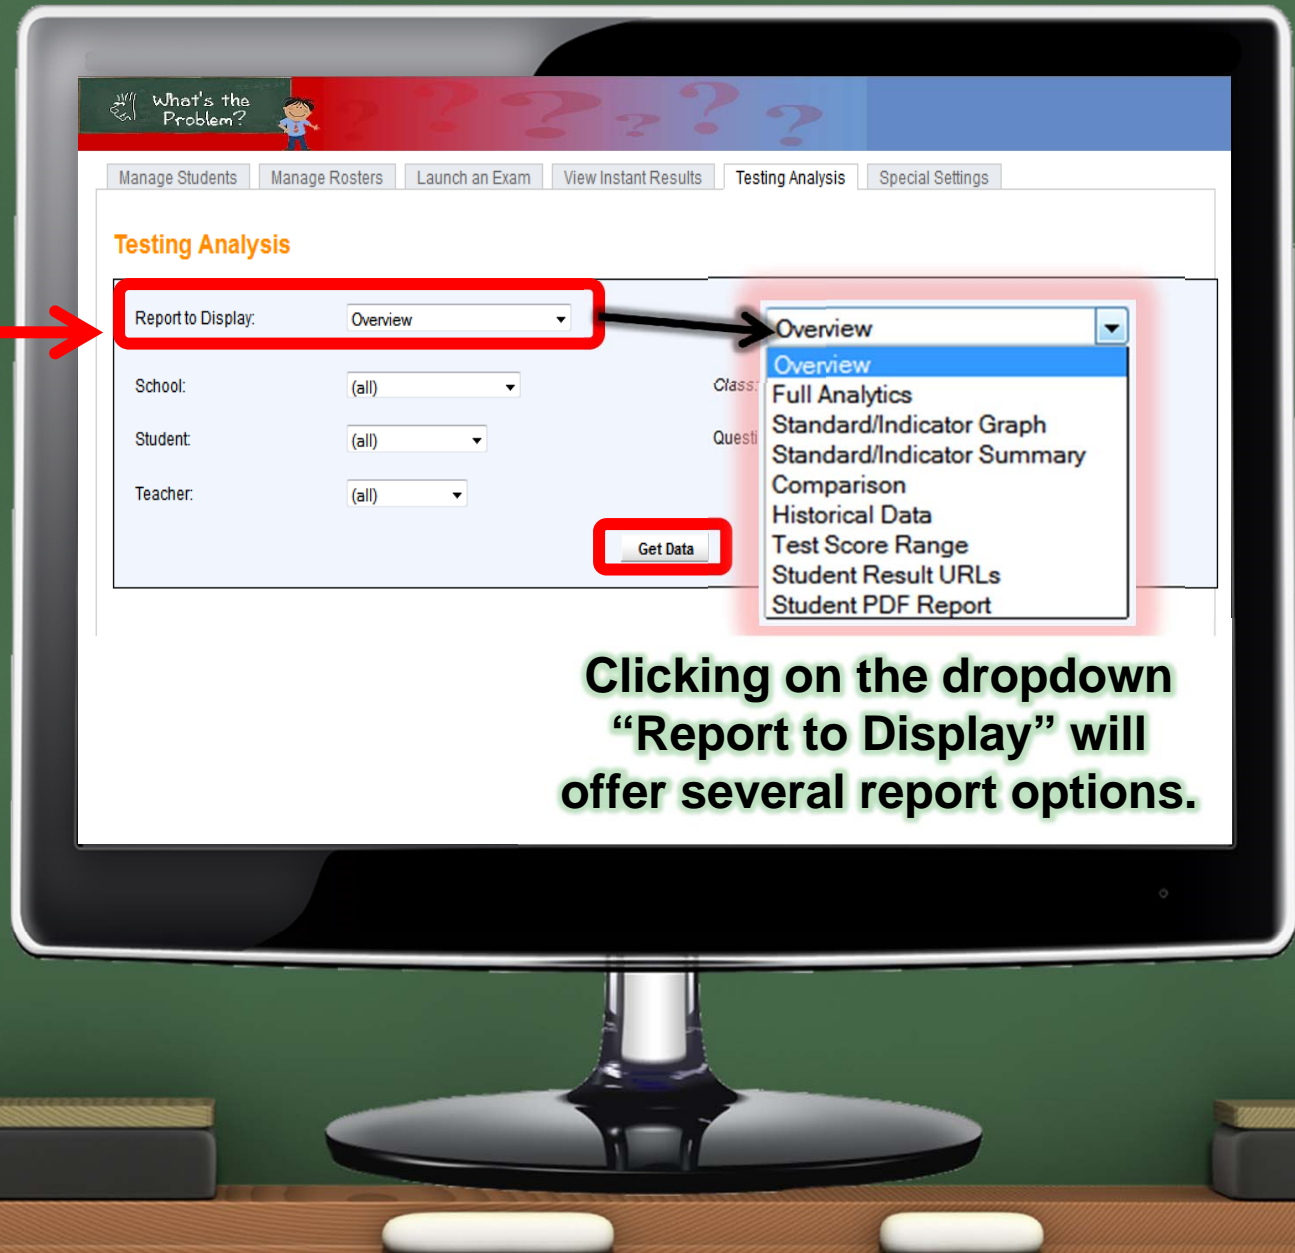

Exam ID: 126900
Title: 3rd Grade - Math - Operations and Algebraic Thinking (OA)
Launched: 9/9/2014 2:37 PM

...you will be taken to a page where you can view full analysis of all of your launched exams

The exam must be "closed" to run analysis
("All pencils down!")

Testing Analysis – Overview Report

After the exam has been closed (graded), you will have several reporting options to review.

Clicking on the dropdown
“Report to Display” will
offer several report options.
