

**What “Technology-  
Enhanced”  
Assessments are  
provided?**

# Grades 3-8, all standards for Math and ELA

## MATH

### **3rd Grade**

Operations and Algebraic Thinking  
Number and Operations (in Base 10)  
Numbers and Operations (Fractions)  
Measurements and Data  
Geometry

### **4th Grade**

Operations and Algebraic Thinking  
Number and Operations (in Base 10)  
Numbers and Operations (Fractions)  
Measurements and Data  
Geometry

### **5th Grade**

Operations and Algebraic Thinking  
Number and Operations (in Base 10)  
Numbers and Operations (Fractions)  
Measurements and Data  
Geometry

### **6th Grade**

Ratios and Proportional Relationships  
The Number System  
Expressions & Equations  
Geometry  
Statistics & Probability

### **7th Grade**

Ratios and Proportional Relationships  
The Number System  
Expressions & Equations  
Geometry  
Statistics & Probability

### **8th Grade**

The Number System  
Expressions & Equations  
Functions  
Geometry  
Statistics & Probability

## LANGUAGE ARTS

### **3rd Grade**

Reading: Literature  
Reading: Informational Text  
Reading: Foundational Skills  
Language

### **4th Grade**

Reading: Literature  
Reading: Informational Text  
Reading: Foundational Skills  
Language

### **5th Grade**

Reading: Literature  
Reading: Informational Text  
Reading: Foundational Skills  
Language

### **6th Grade**

Reading: Literature  
Reading: Informational Text  
Language

### **7th Grade**

Reading: Literature  
Reading: Informational Text  
Language

### **8th Grade**

Reading: Literature  
Reading: Informational Text  
Language

\*\*\*The Problem-Based Learning portion of the site is best for practicing and assessing the Writing and Speaking & Listening standards.
