

What types of
exercises are
used to develop
PBL Skills?

"Get ready for PBL Training Camp"

- Students must learn what is being asked of them, and in what manner they should respond.

We will practice this using Critical Thinking Exercises

- Students must learn how to approach scenarios in different ways.

We will practice this using Creativity Drills

- Students must learn what information must be obtained before they can properly respond to a scenario.

We will practice this using Woodchuck Problems
