

A Walmart Infographic

100,000,000
customers shop at Walmart every week

U **S** **A**

That's about 1/3 of the entire population of the United States

With over \$4,000,000,000 in sales every year, Walmart does more business than Costco, Home Depot, and Target combined.

In the United States, Walmart employs over 1,000,000 people in over 5,000 different stores

90% of all Americans live within 15 minutes of a Walmart
