

What's the Problem?

Planning the Trip...

From Charleston, South Carolina to Los Angeles, California

Distance = 2,497 miles (driving on the interstate all the way)

Assumptions: Average speed = 65 miles per hour
Gas mileage = 20 miles per gallon
Cost of gas = \$3.00 per gallon

Cost of Hotel = \$80.00 per night

Cost of Meals

Breakfast=\$8.00 per person
Lunch=\$10.00 per person
Dinner=\$15.00 per person

Cost of Roadside Attractions = \$8.00 per person per attraction (average)
