

Reference Materials aren't always that useful.

Here's some proof...

Well, sure a computer can give you far more current and accurate information... but who has time to get on the internet?

We hold these truths to be *obvious*...
We hold these truths to be *self-explanatory*...
We hold these truths to be a *no-brainer*...

Does anyone have a thesaurus?

An encyclopedia salesman giving his best pitch.

Much to her dismay, Cassie learns that when she looks up 'Drama Queen' in the dictionary, her picture really is there.

An almanac? Are you kidding? I say, "Don't forget to bring the atlas"... and you grab an almanac?!

The family vacation gets off to a bad start.
