

The PBL Project

Summer Programs

As easy as 1 - 2 - 3

Get Ready

1

Choose a focus or theme for the summer school program. This will guide the entire teacher & student experience.

Get Set

2

Content may include:

- PBL Scenarios
- STEM Challenges
- Escape Rooms
- Forensic Scenes
- Critical Thinking Exercises
- Creativity Drills
- Analogies

Content will be created to fit your program. This will feature the desired mix of small group and individual exercises.

Go!

3

Teachers receive training and support. They will have all of the tools and "know-how" they need to make the summer program a huge success!
